Bridgette Mayer Gallery announces its participation in the 25th year of Art Miami, the city's original and longest running contemporary and modern art fair.

PHILADELPHIA, PA - Bridgette Mayer Gallery will participate in the 25th annual Art Miami Fair, which opens with a VIP preview on December 2nd and runs through December 7th, 2014. Located in the heart of the Midtown/Wynwood Arts District, this year's fair will showcase 130 international art galleries from sixteen countries, including England, Spain, France, Holland, Finland, the Netherlands, Japan, Israel, Germany, Sweden, Italy, Austria, Argentina, Switzerland, Canada, and the United States.

The Gallery will feature works from a number of artists in their primary program including Federico Herrero, Rebecca Rutstein, Charles Burwell, Paul Oberst, German Gomez, Neil Anderson, Eileen Neff, Stuart Netsky, and Ryan McGinness. In addition, works by prominent modern artists such as Howard Hodgkin, Robert Rauschenberg, and Auguste Rodin will also be exhibited.

Now in its 13th year, the Bridgette Mayer Gallery has represented and exhibited artists whose work displays the variety and genius of contemporary art now being created in the US. The gallery's ongoing exhibition program will continue to support established gallery artists even as it looks beyond the US to discovering and cultivating new talent from around the globe. The gallery exhibits painting, sculpture and photography with an emphasis on innovative process and content-driven ideas that speak to beauty, technology, culture and the contemporary landscape. Housed in an historic 1799 Philadelphia brownstone, the gallery presents ten exhibitions a year in its 3,000 square foot space and participates in numerous art fairs in the United States.
