The Crane Arts is pleased to announce *Begin Where You Are*, an exhibition of works by 32 Philadelphia based artists at the Icebox Project Space from August 14th through September 13th. The artist’s reception will be held on August 14th from 6 – 9pm, and performances will be held at select dates throughout the duration of the exhibition.

Begin Where You Are presents a broad range of artists living in Philadelphia, each with distinct modes of working, yet connected by an earnest vitality representative of the city itself. The integrity of each artist’s practice, combined with unique conversations across works throughout the show creates a complicated and contemplative dialogue. A renewed appreciation for the breadth and complexity of our common place is forged through these new relationships.
