The exhibition showcases fresh and captivating pieces by Ray Beldner, Carla Falb, Julie Goldstein, Ben Junta, Kaoru Mansour, Mark Tesi, Holly Wong, and Jason Woodside.

Ray Beldner's sculptures synthesize the imagery and forms of well-known art historical periods with the organic shapes of the Sierra foothills. Carla Falb's painting, *Hang Time*, which inspired the exhibition's title, captures the mystical ambiance of amusement lights on a darkened pier. Ben Junta's seascapes evoke the rhythmic peacefulness of floating in a calm ocean, while Mark Tesi's large-scale photographs transport viewers to the glowing sunsets of the West Coast. Holly Wong creates ethereal mixed-media pieces that symbolize the beauty of freedom, growth, and transformation.
