## ***Hicks Art Center Gallery***

### ***The ArtShow***

**ArtShow** is a 1/2 hour artist interview program, hosted by Craig Stover. It showcases a wide variety of artists from many different artistic disciplines and gives viewers a chance to listen to the artists talk about a selection of their works as well as their history, process, techniques and interests.

**ArtShow** is having it's first physical exhibition of artists who have appeared on the program at **The Hicks Art Center Galleries** that opens to the public on May 16 at 5pm.

"Craig Stover's ArtShow is such a boon for the Philadelphia Arts community. In our time where so many dedicated visual artists are struggling to be noticed and appreciated, ArtShow grants us the opportunity to be showcased at large and to connect with each other". -Simone Spacer
