The Bridgette Mayer Gallery is pleased to announce the fourth annual Benefit Exhibition – this year to once again benefit BalletX, Philadelphia's premier contemporary ballet. More than 220 artists have been selected to create 400 paintings, photographs, collages, and sculptures for the exhibition which will run from September 5<sup>th</sup> through October 9<sup>th</sup>, 2014. Each artist is working with one or two ten inch square panels generously donated by Ampersand Art Supply. Philadelphia, national, and international artists from every point in their career—from recent MFA graduates to established artists included in prominent museum collections – will exhibit side by side in the gallery. Each work will be sold for \$500, \$1,000, \$1,500 or \$2,000 with 20% of the proceeds benefitting BalletX. For a list of exhibiting artists, please visit <http://www.bridgettemayergallery.com/exhibitions/2014-benefit-exhibition-for-balletx>.

Last year's benefit raised an impressive \$17,000 for BalletX, which helped support the creation of three world premiere commissions for the company's Fall Series 2013. During this year's exhibition as part of the Neighborhood Fringe Festival, BalletX dancers will perform intimate improvisational solos in the gallery space inspired by the artwork on display. Performances will take place:

- Tuesday, September 9<sup>th</sup> at 7PM
- Friday, September 12<sup>th</sup> at 7PM
- Sunday, September 14<sup>th</sup> at 1PM

This year we are pleased to have several sponsors for the exhibition allowing us to concentrate our fundraising efforts. Cecil Baker + Partners is an architecture firm providing design services to governmental, educational, institutional and private sector clients. Established in 1982 and based in Philadelphia, the firm's services include feasibility studies, programming, design of new structures, adaptive reuse of existing structures, and interior design. Cecil Baker + Partners creates buildings and sites that bring people in touch with culture, community and nature. The firm's guideposts of the persuasion of place, the power of simple shapes, the choreography of passage, and the shared exploration evolve cohesive, harmonious projects that offer inhabitants an intimate and unique relationship with their environment. Cecil Baker + Partners is the recipient of over 50 national and regional design awards. Our other generous sponsors for the 2014 Benefit Exhibition are Visit Philadelphia and Philadelphia Style Magazine.
